

Schmidt Beer Presents
THE PHEASANTS FOREVER STORY

Pheasants Forever is a nonprofit tax-exempt organization formed in 1982 in response to the continuing decline of ringnecked pheasants. Nationwide, the organization now has 25,000 members.

The lifeblood of Pheasants Forever is the county chapter, which retains most of the money raised at annual banquets and uses the funds for local habitat work, including, but not limited to, the establishment of woody cover, nesting cover, food plots adjacent to key wintering areas and sorghum wintering areas.

Development of upland habitat is needed because the pheasant, the nation's most exciting and most beautiful gamebird, is threatened by an almost continual assault on its environment. Nesting cover is destroyed prematurely. Winter cover is bull-dozed. Too few crops are left standing to provide birds with a good food source to help them survive winter.

Pheasants Forever also proposes and supports conservation legislation benefiting the ringneck at both the federal and state levels.

The G. Heileman Brewing Co., brewers of Schmidt, and their Schmidt Beer wholesalers commend and support the Pheasants Forever effort.
