

NO CHILD LEFT INDOORS®

“As a Pheasants Forever & Quail Forever chapter, you make a difference! Each year, in communities across the country, we share our outdoor traditions and hunting heritage with thousands of individuals. Providing youth, families and interested adults the opportunity to create their own passion for the outdoors. This is only possible because YOU care!”

Howard Vincent – PF/QF President & CEO

When your chapter supports PF & QF’s No Child Left Indoors (NCLI) Initiative, you are supporting PF & QF staff and the development and delivery of Path to the Upland programming. Our Path to the Uplands programming aims to cultivate generations of informed and engaged hunter-conservationists and/or conservation supporters through a combination of authentic experiences, training events and strategic partnerships. Through our unique partnerships and generous sponsors, we are able to match your chapter NCLI contributions which is vital for our ability to develop and deliver the following programs.
