Habitat - Over the last year, we have planted over 1700 acres of nesting cover grasses and food plots and 1800 trees and bushes. The total monies spent for habitat in 2021 was over \$27,000 and we were recognized as an award-winning habitat chapter at the Michigan Pheasants Forever state convention.

Youth - We had 20 youth attend our fall pheasant hunt at Woodland Acres in St. Johns and are proud supporters of the Durand High School Shooting Team which involves youth from all over the county.

Veterans - In the fall, we provided a deer hunt to 2 United States Veterans at Masterpiece Whitetails.
