

Ringneck Rustlers - Pheasants Forever, Chapter 578, Wichita, KS

Funding Request Application Form

The objectives of our chapters are to promote the conservation, restoration, rehabilitation and extension of pheasant habitat; as well as to support all programs promoting habitat and wildlife conservation education, hunting ethics and responsible gun safety in Kansas. We achieve these goals by collaborating with like-minded organizations through either funding opportunities or providing volunteer workers for projects supporting our objectives and mission statements.

Ringneck Rustlers, PF Chapter 578, Mission Statement: Protect, restore, and enhance wildlife habitat by establishing and maintaining local projects.

- Create, improve, and preserve upland bird habitat
- Foster youth hunting and outdoor activities (for all ages)
- Develop, distribute and foster conservation education.
- Introduce and advance prudent management of conservation policies.

Pheasants Forever Mission Statement: Pheasants Forever's mission is to conserve pheasants, quail, and other wildlife through habitat improvements, public access, education, and conservation advocacy.

If your organization has a project that supports these objectives and mission statements, we welcome a funding request from you. Please note for all projects and events that pictures are requested for the beginning, progression and completion. It is requested for youth grants, that pictures of your events be allowed to be shared as well. Please make a copy of this request for your own records.

“Pheasants Forever empowers its local chapters with the responsibility to determine how 100 percent of their locally-raised funds are spent.”
